

Stonewall Democrats of San Antonio
General Membership Meeting Minutes
November 17, 2014
Luby's Cafeteria

Meeting called to order at 6:30pm

Thanks to all who voted and worked to get out the vote and served in other capacities surrounding the election. Judge Rangel updated us as to the fact that several judges will be up for reelection in 2 years, so we need to gear up for those races.

A special thanks was made to Chief McManus and Judge Barbara Nellemoe for their continued support of LGBT concerns, and to wish them well in their future endeavors.

Rod and Patti Radel of Inner City Development are fasting until \$30,000 is raised for the food pantry, and they are asking for donations.

There will not be a meeting in December. There has been no suggestion as to what kind of Xmas party we will hold, so any suggestions will be welcome.

Board elections will be held at the January General membership meeting. We will need to elect two new co-chairs, a membership coordinator, and some delegates at large. We also need some volunteers for the endorsement committee.

Meeting adjourned at 7:30pm
